

MISSION STATEMENT

To enhance knowledge of, and stimulate interest and appreciation in the variety of creative arts available throughout Seacoast, New Hampshire by hosting exhibits for established and emerging artists; providing a gallery to house works of art; collaborating with other arts organizations; and providing art education, mentoring and scholarship opportunities for students pursuing a degree in the arts.

To fulfill this mission, SAA holds demonstrations, classes and workshops throughout the year. It also publishes a newsletter, which is available at the Gallery or through e-mail.

SAA is a not-for-profit organization; 25 percent of sales go towards an annual scholarship for graduating high school students seeking a college education in the arts.
