

MISSION STATEMENT

To enhance knowledge of, and stimulate interest and appreciation in, the variety of creative arts available throughout Seacoast New Hampshire, by hosting exhibits for established and emerging artists; providing a gallery to house works of art, collaborating with other arts organizations, and by providing art education, mentor and scholarship opportunities for students pursuing a degree in the arts.

To fulfill this mission, the SAA also holds demonstrations, classes, and workshops throughout the year and publishes a newsletter which is available at the Gallery or through email to its members.

SAA is a not-for-profit organization.

A portion of sales goes towards an annual scholarship for graduating high school students seeking a college education in the arts.
